TOWARDS FIFTY

WA Labor has long been committed to affirmative action for our members of Parliament and the drivers of good policy for women. Now it's time for the next step.

Towards 50 is our campaign to lead our party into the future and build our women's membership to 50%. It's a big task but together, we can do it.

We want you to speak to the women you know who share our values, and ask them to join our party.
